CITIZENS COMMUNICATION Ms. Jo Finnegan was present at the meeting and expressed her concerns about warranty work at Windsor High School. Specifically the gym floors and paint on the track that need to be addressed.

Ms. Brooke Alles was present at the meeting and shared her concerns with the messaging that was sent on July 17. She felt the tone of the message did not convey the district's values nor explained the decision making process. She felt the community has been dealing with a lot and

sharing the “why” of the decision concerning school and mask wearing should have been more prevalent in the message. She also shared concerns with mask wearing by students especially at the elementary level due to the germs and bacteria that can be present. Facial expressions at that level are also extremely important for learning and she shared that she didn’t feel like mask wearing promoted that.
